

Data Structures & Algorithms Learning Roadmap

Problem Solving

Two hand-picked full-course lectures from the original Coding Learning Roadmap. Tap **Open on YouTube** → to access the lecture directly.

COURSE 1

Abdul Bari — Data Structures

■ [Open on YouTube](#) →

COURSE 2

freeCodeCamp.org — Data Structures & Algorithms

■ [Open on YouTube](#) →

Learning tip: Finish one course, code along with it, and build small programs before moving to the second resource.
